How to make a Robin Fingerprint Christmas Card

You will need:

- **A piece of white card**
- **Some brown and red ink or paint**
- **A saucer**
- **A black pen**

Instructions

1. **Take the white card and fold it in half to make an opening card.**

2. **If you are using paint, then on one half of your saucer pour a little brown paint and on the other half pour a little red paint.**

3. **Dip your finger into the brown paint or your ink pad.**

4. **Then press your finger down on to the white card.**

5. **Next, dip a smaller finger into the red paint or your ink pad.**

6. **Press your finger on to the brown print.**

7. **When the paint is dry use the black pen to draw feet, wings, and eyes on to your robins and write a Christmas message.**
